Special Event Award

Above and Beyond the Rest

As a tribute to Warren Miller, acclaimed filmmaker of ski & snowboarding movies, this 14" tall commemorative monument was commissioned by his lifelong friend David Graebel, founder of Graebel Worldwide Relocation Company. With only two photographs of Warren Miller to work with, an earlier and a modern day face photo, two 3" tall low-relief busts were carved then cast in bronze. The bronze castings were mounted on marble and the award was assembled with flagstone on a heavy wood base.
