Wall Recognition

Million Color Wall Presentation

Called the “Million Dollar Club,” this piece looks like a million bucks but it didn’t cost that much (not even close.) Measuring 8’ tall and 10’ wide, it is located at Key Equipment Finance in Superior, Colorado. Colored metal plates cover a large portion of the wall and each plate is etched with the name of top salesmen and saleswomen who have helped keep this company at the top of the industry of commercial equipment financing. A smaller version of the centerpiece is given to each winner at a national sales conference each year.
