## Recycled Content Award

### **Image Element Plaque with Solar Flair (*RRRM Certified Level*)**

The rustic cut of flagstone brings out the stunning appeal of your logo when it is etched in a green patina'd copper disk. The brass "solar flair" offsets the composition and adds some "flair" as the name suggests. The design is mounted on a slate background with a copper plate. Over 25% Recycled Content. Height- 8", Width- 7" (*RRRM Certified Level*)
