Helping Hands Plaque

The large symbol of sharing is very appropriate for individuals who are known for helping others with special needs or helping in other ways. To those who offer kindness to the world, this plaque "says it all"- even without words. The plaque shown is blank, although a metal plate could be attached on the bottom right corner of the polished brass area, or, if (upon request) the black acrylic background were taller, a plate could be placed below the polished brass also. Size: 5" wide x 8" tall.
