## Custom Theme Award

### Small-Tall Desktop

Heifer International had a need for a small gift. They also had a small budget. Haertling.com set them up with this small but tall piece. It features a gold plated “helping-hands” pin at its center creating a look and message of something big. Made from recycled small pieces of flagstone, slate and wood from our own factory, this piece is made from 100% Recycled content. See HRCA Recycled Content for more information on how Haertling.com helps your company demonstrate acts of greenness.
