

HAERTLING.COM AWARDS

Freestanding Metal & Stone Award

Mountains and Structures Free standing Award

With the lifestyle of the Colorado Front Range in mind, this piece celebrates the beauty of natural places close to the urban environment, with shapes representing building and mountain forms. The natural green marble, two tones of slate and red flagstone create richness in color, shape and texture. Three areas are available for a logo, an award title and a recipient name. 7" tall.
