Wall Recognition

Rainbow Mini-Commemorative Wall Piece

This piece cannot only be your solution to your recognition need, but can also add color and style to your lobby, conference room or hall. Your company logo and message can be engraved in the space on the top; names of honorees go on the colored engraving plates below. The black background has a high-gloss piano finish with a bull-nosed edge. Included: the Haertling.com “E-Z Mount” hanging strip, which makes mounting a snap. Colored engraving plates are easily removed and replaced for engraving.
