Recycled Content Award

Three-Tone Eco-Stone Plaque (*RRRM Platinum*)

This piece makes use of Haertling.com Award's own scrap material, which is mostly small cut-offs from larger stone pieces that have no use in our shop. Made from 100% recycled materials, we rate it as a Platinum Level RRRM (Recycled, Reused & Reclaimed Materials) product. The vertical engraving plate allows plenty of room for wording and graphics as in the sample. Materials; Green Marble, Flagstone and Slate. (*RRRM Platinum*)
